Nonprofit Program

Thanks for your interest in helping transform the future of education with CoSpaces Edu!

As part of our mission to contribute to improving the student learning experience everywhere possible, CoSpaces Edu offers support to education nonprofits that are working towards preparing children and teenagers for their future.

What support do Nonprofit Partners get?

CoSpaces Edu supports education charitable organizations globally by granting them CoSpaces Edu Pro license plans to use to teach kids and teenagers.

Benefits:

- Highly discounted CoSpaces Edu Pro license plan (to be further discussed)
- Trial code to give away 30-day free trials of CoSpaces Edu Pro with 100 seats including the MERGE Cube add-on
- The CoSpaces Edu Nonprofit Partner digital badge
- The Partner's kit with CoSpaces Edu marketing materials
- Priority support and direct contact with the CoSpaces Edu team
- Networking with other CoSpaces Edu Nonprofit Partners around the world

What's expected from Nonprofit Partners?

We'd like to have a close relationship with all nonprofit organizations partnering with us and expect regular exchanges about the platform and other relevant topics.

Responsibilities:

- Communicate on a regular basis with the CoSpaces Edu team
- Participate in discussions with the team and the other Nonprofit Partners
- Share CoSpaces Edu educational content (e.g. lesson ideas, tutorials, etc.)
- Provide regular insights and feedback to the CoSpaces Edu team

Who can become a Nonprofit Partner?

To be eligible to participate in the CoSpaces Edu Nonprofit Program, an organization must have a specific focus on education, be registered and verified as a charitable or nonprofit organization by an entity such as **TechSoup** or equivalent. Note that this can't be a governmental organization or an academic institution such as a school.

How to apply to the Nonprofit Program?

If you're eligible, please fill in an **application** and email **programs@cospaces.io**.
